# Words from our Managing Trustee

SRI is a multi disciplinary leading professional education group in Central India. Since its inception in 2002, SRI has tirelessly worked towards achieving its objective of providing best facilities and knowledge to students of Bundelkhand region and beyond at an affordable cost. SRI is an institution which truly believes in working for greater good of society. This year that has gone by, we reached new heights of professionalism, social activities, events and participation by students. SRI has the commitment to provide safe and healthy environment to all our students and also to provide a platform where our students can showcase their talents to the world. In accordance to our commitment we have established Entrepreneurship Development Cell so that the students can turn into entrepreneurs by showcasing their innovative ideas and getting funds for transforming the ideas into reality.

SRI was established with an aim that students can get best academic and practical knowledge without leaving their hometown and parents. Today we can proudly mention that our students have reached to such professional heights that a lot can only imagine. SRI places its foremost focus on placements and training of students. Special classes of personality development are provided by professional trainers as the personality development training is an integral part of every course. The institution equally promotes sports by organizing sports week and cricket tournaments as well as the in house cricket academy provides regular training to the students. I would like to further add that, SRI has a rich tradition of pursuing academic excellence , value based education and providing a conducive environment for the development of it students and with the efficacy of its tradition the institution is constantly making its way towards achieving higher benchmarks and creating academic history which this region has never witnessed.

**Shantanu Agarwal**  
Managing Trustee, SRI (Datia)

# INFRASTRUCTURE

In terms of infrastructure, SRI is one of the best colleges in Bundelkhand Region matching international standards. It is one of the few colleges which has upgraded its classrooms to facilitate teaching through modern tools and techniques.

## TESTIMONIAL/ SUCCESS STORY

It gives me immense pleasure to say that I could be a part of SRI family. It helped me to grow both academically and as a person. The college gives us ample opportunities to project our skills, technical as well as artistic. It has state-of-the-art infrastructure. Talking in terms of amenities, it has well-equipped laboratories, classrooms with projectors and a library with all the resources. It also provides facilities to carry out research work. The campus is covered with lush green trees. The quality of teaching is excellent. The faculty are highly knowledgeable in their fields and impart the knowledge to students in a very easy manner. The placement facilities are top notch, provides the best location for internship and recruitment. The placement cell works hard to install the skills in students which are needed for getting placed by way of organizing work shops, seminars, soft-skills lectures. The college gives equal importance to extracurricular activities by organizing fests like SRIJAN, Sports Events, etc. I would like to especially thank to our College Director Mr. Shantanu Agarwal Sir and our Training and Placement Head Mr. Himanshu Sharma Sir for organizing this Job fair for us.

*Thank you for creating my future bright.*

# SHRI RAWATPURA SARKAR INSTITUTE OF TECHNOLOGY & SCIENCE (SRITS)

The very purpose of establishing SRITS is holistic development of technocrats based on long cherished values and principles. The engineering specializations at SRI are in Computer Science, Mechanical, Electronics & Communication, and Civil. Each programme adopts project-based learning, which places emphasis on research and applications. We at SRITS prepare students for the real world, by working on real world problems with real world solutions.

<b>COURSE OFFERED</b>	<b>DURATION</b>	<b>APPROVAL</b>	<b>AFFILIATION</b>
<b>Bachelor of Technology (B.Tech)</b>	<b>4 Years (8 Semesters)</b>	<b>AICTE, New Delhi</b>	<b>RGTU, Bhopal (M.P.)</b>

## **DEPARTMENTS @ SRITS**

### **COMPUTER SCIENCE ENGINEERING**

It gives us immense pleasure and pride to introduce the Department of Computer Science Engineering of SRITS, Datia that is committed to add the existing goodwill of its name and glory. This department is assiduously heading towards achieving high academic standards and values while preparing Computer Science graduates to meet the global standards.

#### **LABS:**

- Digital Image Processing Lab • Operating System Lab • Computer Organisation Lab
- Software Lab

### **MECHANICAL ENGINEERING**

Mechanical engineering is concerned with all types of machinery in industries and all aspects of their mechanism and functioning; the design, development, construction, production, installation, operation and maintenance; such as large steam and gas turbines, components of thermal power stations, internal combustion engines, jet engines, machine tools, air conditioning and heating machines, refrigerators etc to name a few. They not only design and create new products, but also develop materials for them and ways of making them. Apart from private organizations, mechanical engineers are also in high demand by govt. organizations like Railways, Defense sector, Power stations (Thermal, Nuclear, Hydel etc), PWD etc.

#### **LABS:**

- Robotics CIM & CAD/CAM Lab • Turbo Machine Lab • I C Engine Lab • Automobile Lab
- Theory of Machine Lab • SOM Lab • Software Lab

### **ELECTRONICS & COMMUNICATION ENGINEERING**

Electronics & Communication is making exhilarating progress in areas ranging from microelectronics, mobile communications to VLSI Design Automation. In labs and classrooms at SRITS students draw on the expertise and knowledge of our able faculty, integrating practical, hands-on research experience with challenging and interesting course-work. A palpable excitement surrounds the Department of E&CE, an enthusiasm pervades every classroom and laboratory, invigorating our students and spurring on our faculty to fresh innovations. In an age when electronics play a major role in daily life and the promise of embedded system design is coming to fruition, it truly is a great time to be a part of E&CE

**LABS:**

- Digital Signal Processing Lab • Microprocessor Lab • Antenna & Wave Progression Lab
- Fiber Optics Communication Lab • Electronics Device Lab • Network Analysis Lab

**CIVIL ENGINEERING**

Civil Engineering is a wide ranging profession, including several separate specialized sub-disciplines, its history is linked to knowledge of structures, materials science, geography, geology, soils, hydrology, environment, mechanics and other fields. Civil engineers build the world's infrastructure by shaping the history of nations around the world. We cannot imagine life without the many contributions of civil engineers to the public's health,

**LABS:**

- Basic Survey Lab • Fluid Mechanics Lab • Engineering Drawing Lab • Hydraulic Machine Lab
- Structure Lab • Building Material Lab

## SHRI RAWATPURA SARKAR INSTITUTE OF PHARMACY (SRIP)

Pharmacy is the science and art concerned with the preparation and standardization of drugs. SRIP is equipped with modern and sophisticated pharmaceutical manufacturing and analytical instruments under the supervision of highly qualified faculty in order to enable the students for meeting the challenges of rapidly changing pharmaceutical technologies. The institute is working extensively to integrate the knowledge for pharmaceutical industries. The demand for trained pharmacists is always on the increase in the industries, retail pharmacies & PHCs. In the coming year's high quality clinical patient centers and effective pharmacy will thrive.

<b>COURSE OFFERED</b>	<b>DURATION</b>	<b>APPROVAL</b>	<b>AFFILIATION</b>
<b>Diloma in Pharmacy (D. Pharma.)</b>	<b>2 Years</b>	<b>AICTE &amp; PCI, New Delhi</b>	<b>RGTU, Bhopal (M.P.)</b>
<b>Bachelor in Pharmacy (B.Pharma.)</b>	<b>4 Years (8 Semesters)</b>	<b>AICTE &amp; PCI, New Delhi</b>	<b>RGTU, Bhopal (M.P.)</b>
<b>(M.Pharma.) Pharmaceutics/ Pharmacology</b>	<b>2 Years (4 Semesters)</b>	<b>AICTE &amp; PCI, New Delhi</b>	<b>RGTU, Bhopal (M.P.)</b>

**ACADEMIC RESOURCES @ SRIP**

Institute has spacious well furnished class rooms along-with well equipped library. The institute has well equipped instrument room with machines like HPLC, HPTLC, FTIR, UV-VIS Spectrophotometer, Dissolution Unit, Gas Chromatography and well equipped laboratories with modern equipment such incubators, root crusher, micro pulverizer, capsule filling machine, tube sealing machine, thermostatic bath disintegration test apparatus etc. Facility of aseptic room for performing experiments in micro organism free environment as well as a medicinal garden are also there for the students of SRIP. The various labs at SRIP are:

- **PHARMACEUTICAL ANALYSIS**
- **PHARMACOLOGY**
- **PHARMACOGNOSY**
- **PHARMACEUTICS**
- **PHARMACEUTICAL CHEMISTRY**

**SRIP: BEYOND THE CLASSROOM**

Only bookish knowledge cannot lead one to success. At SRIP we strive to provide the needful. The institute is coming out in flying colors in providing high quality pharmacists for the rising demand in the pharmaceutical industries beyond the confined walls of the class room various events are being continuously organized such as –

- National Symposium “Antioxidant Current Research Status.”
- Know your pharmacist for the right use of medicine - observed as pharmacy week.
- Dr. A.K. Dorle president of Central India Pharmacy Promotion and Research Association gave valuable advice about pharmacy services and profession.
